We are pleased to invite you to the **Meta-Pandemic GLAMers conference** on **13 February 2023** at **Cyprus University of Technology**, which will mark the final event of [The GLAMers project](#) (Erasmus+, 2021-2023).

The day is designed as a moment to explore the **main results of the project**, but it will also be an opportunity to take stock of the post-pandemic situation of **European GLAMs** (galleries, libraries, archives and museums).

Many speakers are going to join the conversation, so stay tuned to know more about the agenda!

About the project

After the COVID-19 pandemic, it became evident that citizens, and more specifically youth communities, can take an active role both in society and in the co-design of new relations between GLAMs and young audiences, enticing initiatives that contribute to better societies through civic empowerment.

The GLAMers offers an action plan, activities and resources aiming at understanding how youth engagement can be reinforced.
